Practice Ice & Private Lessons

Private lessons can be helpful if you need some extra help with passing the tests required for Freestyle levels, or if you plan on competing. Private lesson coupons are purchased at the main counter and are presented to your instructor at the time of your lesson, usually during "practice ice" times. See our *Skaters' Guide and Practice Ice* brochure for schedules. Refer to the *Private Lessons* brochure or our web site for information about instructors, www.chaleticerinks.com.
