Welcome to the Ice Chalet and the Robert Unger School of Ice Skating!

Over the past 49 years, we have established a tradition of quality ice skating instruction and public ice skating entertainment. Thank you for visiting us!

What is ISI (the Ice Skating Institute)?

Our lessons are based on the Ice Skating Institute's recreational ice skating program. Each test level serves as a building block for the next, so skating can be a *lifelong* hobby. All ages and all skill levels can be involved. Our Spring competition is the oldest continuously running ISI competition in the world. ISI membership is \$ 15.00/year and includes a quarterly magazine and supplemental insurance. **ISI membership is required for test registration as well as for participation in our shows and in ISI competitions.**

What do we do in each class?

Beginning and Advanced Tots

These classes are for ages 3-5. While playing games and singing songs, students learn proper falling, marching, gliding, and moving forward and backward. Gloves and a toboggan or helmet are recommended.

Beginners (Pre-Alpha)

Beginner students learn balance and do simple glides and swizzles forward and backward. Anyone over age five who has never taken classes should start here.

Alpha

In Alpha, skaters learn forward stroking, forward cross-overs in both directions, and a simple snowplow stop.

Beta

Students work on backward stroking and backward crossovers, plus a T-stop with each foot.

Gamma

Students begin to work on turns (forward outside edge 3-turns and inside mohawks), as well as a hockey stop.

Delta

Students work on inside edge 3-turns, forward edges, bunny hops, lunges, and shoot-the-ducks.

Freestyle

There are ten levels with different jumps, spins, and footwork patterns.

Ice Dancing

Skaters who have passed Alpha can learn to dance on ice! There are over 20 ice dances from the waltz to the tango!

What should I wear?

Small children should always wear gloves/mittens and head protection of some kind. Skaters should wear only one, *thin* pair of socks -- this allows for a better skate fit.

Nutcracker On Ice -- Practices Oct. 17 - Dec. 5
Students enrolled in our school for the Fall term are eligible to participate in our annual holiday show to be presented December 6-10. Any skill levels, any age! Entries are due September 30th.

Please note that Nutcracker On Ice rehearsals are held during our freestyle practice times so some of these practices are going to be crowded. Private lessons will be limited or impractical in these sessions.
