

## 43rd Annual Robert Unger Skating Competition March 30-April 1, 2012

*All skaters must be current ISI members, and their relevant tests must have been registered with the national office by February 25, 2012.*

- Entry Forms:** Team coaches should make sure all entry forms have the skater's ISI number and competition level on them. The coach or rink manager should also review each form to verify that all information is correct. We reserve the right to accept late entries only if we have space available in the events. **Entry deadline: Feb. 25, 2012.**
- Fees:** Fees for individual competitors will be \$40.00 for the first event. Each additional event will be \$12.00. In partner events (pairs, couples, etc.) each skater will pay the additional event fee of \$12.00. If the partner events are the skater's only event, s/he must pay the \$40.00 first event fee. If group events are the skater's only event, each skater must pay the \$12.00 event fee, but need not pay an individual fee. Late entries must be approved by the Competition Director; there is an extra \$30.00 late entry fee.
- Registration & Check-in:** All skaters may begin picking up their competitor packets on Thursday afternoon starting at 5:00 pm. We have several practice sessions available for Thursday -- see the attached sheet for those times and prices. Skaters should call ahead to register for the practice ice.
- Competition Standards:** It is very important for each team coach to be familiar with the most current edition of the ISI Handbook and any Rule Revisions. The most recent Rule Revisions are available on ISI's website ([www.skateisi.org](http://www.skateisi.org)).
- Judges:** Each team must provide at least one certified judge for every 15 skaters, and all judges must be current professional members of the ISI. We will have a mandatory **Judges' Meeting on Thursday night at 6:00 pm.** at the Clubhouse of one of our volunteers. Coaches and Judges should attend this meeting to help ensure a smooth experience for their skaters.
- Divisions:** In most cases we try to divide groups by the age categories recommended by the ISI. However, in cases of large or small enrollment, we do reserve the right to divide and combine the groups further. If there is only one skater in an event, he or she must earn at least 80% of the total possible points in order to receive first place.
- Check in:** All skaters should check-in with the ice monitor one (1) hour before they are scheduled to compete. Events may run early, so be prepared.
- Music:** All CDs must be identified with the rink name, skater's name, and event name, and they must be turned into our Music Chairperson *in order of skating events* on Thursday night at the Judges' Meeting.
- Videos:** We will have the competition events and show recorded on video.
- Accounting Reviews:** Requests for accounting reviews must be made in writing and submitted by the team coach or supervisor to the chief referee. All review requests must include a fee of \$50.00, which will be refunded should the protest be upheld. Reviews concerning judgment will not be considered. The chief referee's decision will be final.
- Awards:** Medals will be presented to first through sixth place winners. Team Trophies: First-Place Out-of-Town Team Trophy, Second Place Out-of-Town Team Trophy, a Sportsmanship Trophy, and a Percentage Trophy.
