

Be a part of the Show!

All competitors are invited to skate in our ice show extravaganza to be presented on Sunday of the competition weekend, after the last event of the day. This is a collaborative effort of all the teams that choose to participate. There is a \$15.00 entry fee for participants, who will also be responsible for their own costumes.

All show participants receive a special show medal.

JUKEBOX JIVE!

Featuring 50s era television theme songs

Your team can choose a different theme and music – as long as it relates to television shows of any era!

All we ask is that you discuss your choice with our Show Coordinator, Mary Lu Shipstad.

We will have a brief rehearsal on Saturday evening after the day's competitive events -- plan to stay late that night! Past shows have proven to be lots of fun and definitely one of the highlights of the weekend!
