### Practice Ice & Private Lessons

Private lessons can be great if you need some extra help with passing the tests required for Freestyle levels, or if you plan on competing. Privates are scheduled directly with the instructor of your choice, and payment is made directly to him/her. Private lessons are usually taught during "Practice Ice" times; arrange this with the instructor of your choice. See our "Skaters' Guide and Practice Ice" brochure for schedules.

Please refer to the "Private Lessons" brochure or our web site, [www.chaleticerinks.com](http://www.chaleticerinks.com), for information about available instructors.
