

# Job Announcement: HIGH LEVEL SKATING INSTRUCTOR & CHOREOGRAPHER

---

## Basics, Freestyle, Show Skating, Choreographer

- Candidate will need to have superior teaching skills for a variety of skating levels, from beginners and intermediate-level skaters through all levels of advanced skating (freestyle). This person will also need to have extensive experience in high level competition and show skating and demonstrate the ability to prepare skaters for competitions as well as for careers in show skating.

## Required Competition Experience

- Personal success in national and international skating competitions;
- Two or more years of experience competing in sanctioned/qualifying/equivalent national and international events, including at least one year at a world-level event;
- First-place finish at national-level championships preferred, especially if this occurred over multiple years.

## Required Professional Show Skating Experience

- Minimum of 10 years of experience as a professional show skater with a major, international production company, with impeccable recommendations from one or more producers of the shows for whom the candidate has worked;
- Soloist or Principal Skater designation for a majority of the candidate's show skating tenure.

## Required Skills & Abilities

- Enthusiastic and engaging personality;
- Willingness to teach group classes and private lessons throughout the day at least five days per week;
- Ability to choreograph successful low and high-level competition and show programs, music editing, theatrical production numbers, etc.;
- Team-oriented attitude;
- Proven record of reliability, honesty, and integrity;
- Familiarity with the Ice Skating Institute's learn-to-skate program;
- Ice Skating Institute Professional Membership and at least bronze-level Judging Certification;
- Successful background check and liability insurance from a major ice skating industry insurer.
