**Theatre On Ice \$ 35.00**

**Fridays 6:15-7:00 p.m.**

If enrolled in skills classes, you can be a part of our Summer Show production number (entry included).

## About the Ice Chalet...

The Ice Chalet's ice surface is 75' by 175'. All floors are covered with rubber matting. The average Summer temperature in the rink is 50 degrees. We have vending machines with snacks and drinks, a volunteer-operated Cafe, and several restaurants within walking distance. We also have a Pro Shop with a large inventory of boots and blades. Professional skate sharpening is available.

## Lodging

Students from out of town are welcome to stay with a local family. We will try to find a family with a child near the same age who also will be attending Summer School. Room and board for one week is \$ 150.00, which is paid to the host family (includes meals and transportation to and from the rink).

## Private Lessons & Practice Ice

Private lessons are available to all students enrolled in skills classes to help skaters work on specific skills or to prepare a program for a test or a competition. They are purchased in the form of coupons, which are presented to your instructor at the time of your lesson. For details, see the "Private Lessons" brochure, the "Skaters' Guide & Practice Ice" brochure, or our web site, [www.chaleticerinks.com](http://www.chaleticerinks.com).
